**“Agape” is the love of God or Christ for mankind. ....**

In Christianity Agape love is unconditional love that is always giving and impossible to take or be a taker. It devotes total commitment to seek your highest best no matter how anyone may respond. This form of love is totally selfless and does not change whether the love given is returned or not. This is the original and only true form of love. It is the type of love you should experience within a growing and vibrant church's Small Group or Sunday School Class Ministry.

*\*Small Groups or a Sunday School classes are not just another organization of the church.  
They are the church organized for outreach and evangelism.*
