### Sunday School

Teacher and Leader Training Resources

**Our Sunday School Motto: REACH, TEACH, & MINISTER**

Sunday School motto based scripture / Matthew 4: 23

### How to Get Smart with Sunday School

**G**et more people involved: Greeters, hospitality leaders, fellowship leaders, outreach leaders, care group leaders, apprentices, prayer partners, etc . . .

**E**nlist prayerfully and properly: Present them with a job description (3-5 things to do related to the position)

**T**rain all leaders: Everyone should know how to do their job, know why it is important, and know what will be expected of them.

**S**tart on time: Leaders should be in place no later than 15 minutes before class time and everything should begin promptly.

**M**inister to members: Form Care Groups and contact each member every week to discover ministry and prayer needs.

**A**sk members to develop an Acts 1:8 prayer list (resource available through State Sunday School Office): This will provide good prospects for fellowships and outreach events.

**R**each people for Christ: The priority of Sunday School and the aim of each Christian is to be a witness.

**T**each people the Bible: The Truth that Transforms Lives!
